

## **II. Remarks**

Reconsideration and re-examination of the this application via the above amendments and the following remarks is herein respectfully requested.

After entering this amendment, claims 8, 9, 11-27 and 30-35 remain pending.

### *Allowable Subject Matter*

The undersigned acknowledges the Examiner's indication of the allowance of claims 8, 9, 11-27 and 30-35.

In view of the above, claims 1-5 and 7 are cancelled by way of this response, claims 6, 28 and 29 having been previously cancelled.

### *Objections to the Claims*

In the office action, the Examiner objected to claims 21 and 32 stating that "wirebond" in each of the claims should read as "wire bond". This correction has been made to both of the claims.

Claims 30-35 were objected by the Examiner stating "the placing" on line 1 on each of the claims should be replaced with "placing". This correction has been made to each of these claims.

In view of the above changes, it is submitted that the objections to the claims are now moot and the objections should be withdrawn. Such action is respectfully requested.

*Conclusion*

In view of the above amendments and remarks, it is respectfully submitted that the present form of the claims are patentably distinguishable over the art of record and that this application is now in condition for allowance. Such action is respectfully requested.
